

Village Hall Report 2017

Financially we stand in good shape and this year we have purchased a new screen for use by the WI and Flicks in the Sticks. We also have some improvements planned for the near future.

Sunday lunches remain popular, as do Flicks in the Sticks.

We are also planning to hold more Bingo evenings in the future.

We are now getting close to the Village Fete and this year we have The Beast a TV personality to open the main event, we are also hoping to see some new Scarecrows around the village!

Volunteers remain stretched, even more than ever with the potential loss of Sonia and Tony who are soon to be moving.
