

IMPORTANT NOTICE

ALMELEY VILLAGE HALL

“YOUR VILLAGE HALL NEEDS YOU”

COMMITTEE VACANCIES

The Almeley Village Hall Management Committee are looking for members of the local community that would be willing to take over the future running of the village hall.

The current Committee have made the sad decision that it is time to retire from their posts.

Members have put many years of their time and energy into the managing of the hall, on behalf of the local community, and now feel it is time to step down.

The present Committee have decided that they will not stand for re election at the next Annual General Meeting in February 2021.

We are now therefore, looking for new members of the community that would be interested in standing for election in 2021 and who would be prepared to take over and carry on the great work that the present committee has carried out.

The hall has been well cared for and is currently in exceptionally good condition as well as a healthy financial position. The right time to hand over the reins.

It does take some commitment but we have had a lot of fun, working together arranging events for the local community.

Members of the current committee will be happy to offer help and advice wherever possible.

If you think you have the interest, a bit of spare time and some energy to help your Village Hall and would like to discuss this further please contact one of the following committee members:

Mrs. Sandra Payne (Chairman) 01544 340645

Mr. Dave Smith (Vice Chairman) 01544 340877
